Nauman Fakhar

Senior Frontend Engineer | Technical Delivery & Scrum Facilitation

Bad Homburg, Germany | linkedin.com/in/naumanfakhar7 | github.com/enn-eff

PROFILE

Frontend engineer with 7+ years across production and research web platforms. Experience in release coordination, CI/CD, Scrum facilitation, and cross-functional engineering delivery.

EXPERIENCE

Maxon Computer GmbH | Web Developer (Frontend) | Nov 2023 - Present

Develop customer-facing Nuxt/Vue applications and contribute to internal frontend projects. Coordinate production releases, support blue/green deployments on Azure, and maintain CI/CD workflows. Facilitate Scrum ceremonies and track sprint work in Jira.

Natif.ai | Frontend Engineer | Feb 2023 - Nov 2023

Built reusable document automation interfaces, wrote unit tests, supervised student contributors, and participated in OKR sprint planning.

DFKI | Frontend Engineer | May 2021 - Dec 2022

Developed the KIWW knowledge platform frontend, built reusable React components in an internal Storybook, and tested across browsers.

DFKI | Student Research Assistant | Jan 2019 - Apr 2021

Built Angular interfaces for Smart MaaS and contributed to API integration and Cordova packaging.

DFKI / Saarland University | Research Assistant | Apr - Dec 2018

Prototyped augmented-reality interfaces and created the test suite for a Wizard-of-Oz study published in 2019.

SKILLS

TypeScript, Vue, Nuxt, React, Next.js, Angular, Storybook, Imgix, web performance, Azure, Docker, CI/CD, Scrum, Jira, and stakeholder coordination.

EDUCATION

M.S. Media Informatics | Saarland University | 2016 - 2021

B.S. Computer Science | SZABIST | 2011 - 2016
